in her compendious study of the folktale of the runaway wife leavy argues that the contradictory claims of  
nature and culture are embodied in the legendary figure of the swan maiden a woman torn between the  
human and bestial worlds the new york times book review this is a study of the meaning of gender as  
framed by the swan maiden tale a story found in the folklore of virtually every culture the swan maiden is a  
supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to  
her imprisonment when she manages to regain this key she escapes to the otherworld never to return these  
tales have most often been interpreted as depicting exogamous marriages describing the girl from another  
tribe trapped in a world where she will always be the outsider barbara fass leavy believes that in the  
societies in which the tale and its variants endured woman was the other the outsider trapped in a society  
that could never be her own leavy shows how the tale though rarely explicitly recognized is frequently  
replayed in modern literature beautifully written this book reveals the myriad ways in which the folktales

of a society reflect its cultural values and particularly how folktales are allegories of gender relations it will interest anyone involved in literary gender and cultural studies
